A Return to Love, Marianne Williamson's mega-bestselling spiritual guide, is available for the first time on compact disc. In it, she shares her reflections on A Course in Miracles and her insights on the application of love in the search for inner peace. Williamson reveals how we each can become a miracle worker by accepting God and by the expression of love in our daily lives. Whether our psychic pain is in the area of relationships, career, or health, she shows us how love is a potent force, the key to inner peace, and how by practicing love we can make our own lives more fulfilling while creating a more peaceful and loving world for our children.
