Tavish Ranald, Laird Ranalds heir must marry. Its his duty. But he isnt ready. He loves someone he can never have. How can he marry his fathers choice, Claire Morrison, when another lass holds his heart and always will?Cassandra Wren Calloway is a wealthy American heiress who prefers to be free-spirited college student Cassie Wren. But when she loses her soulmate and both her spirit and heart are broken, shes not sure how she can move on. Then Gertrude, an immortal spirit, offers Cassie the opportunity to begin healing by spending sixty days in another time, as another person. Cassie jumps at the chance. She wakes as Claire Morrison, in fourteenth century Scotland, and embarks on the adventure of a lifetime.The only fly in the ointment is Tavish Ranald
