I discovered Pickleball in 2003, when I was competing in the National Senior Tennis Circuit. I was WRONG thinking I could use my tennis skills to win in Pickleball. I found a great coach, and my problem was: I WAS DOING TOO MUCH! So the good news was, if I did LESS with most shots, I would accomplish MORE. After many hours of determined practice on MORE efficiency and LESS power, I found the top of the podium in Singles, Doubles, and Mixed Doubles, winning 8 National titles and 9 World Games titles. Now I am dedicated to teaching you to play with LESS effort and MORE success. The top of the podium awaits you!
