Do you want to write a novel with a gripping story? This book helps your creative juice to flow faster and better. Story Machine series aims at helping authors, who are stuck without a story at the moment. A story crosses my mind every hour. I am able to come up with a story with almost anything. But I cant write all the plots that come to my mind, though they are very tempting. So I decided to write them down and share it with fellow writers. I will be happy and content if this book helps writers to find their stories, if this book makes a dormant writer write again.
