CONTINUE ►

The ultimate tool for aspiring fashion designers who love to sketch clothes but don't have the skills (or the patience!) to draw proportional figures, this sketchpad is filled with 420 figure templates in 20 different fashion-forward poses. Printed in a specially formulated Pantone color, the figures disappear from view when photocopied or scanned, eliminating the need to fuss with light boxes or tracing paper. An illustrated garment glossary showing the distinguishing details between a caftan, a sheath, a maxi, and so on plus additional resources help fashion rookies create the wardrobes of their dreams.
