The White House is the home of the president of the United States, the most guarded, monitored, closely watched person in the world. So how could a US president vanish without a trace? And why would he choose to do so? An unprecedented collaboration between President Bill Clinton and the world's best-selling novelist, James Patterson, *The President Is Missing* is a breathtaking story from the pinnacle of power. Full of what it truly feels like to be the person in the Oval Office - the mind-boggling pressure, the heartbreaking decisions, the exhilarating opportunities, the soul-wrenching power - this is the thriller of the decade, confronting the darkest threats that face the world today, with the highest stakes conceivable.
