Retrace the life of Moses from his modest birth and rescue as a baby to the courts of Pharaoh, from herding flocks in Midian to leading his people out of Egypt. Join Adam Hamilton as he travels from Egypt to Mt. Sinai, the Nile, the Red Sea and the wilderness exploring the sites of Moses' life. Using historical information, archaeological data, and biblical text, Hamilton guides us in the footsteps of this reluctant prophet who grew in his relationship with God and by the end of life had successfully fulfilled the role he was given. Turn your own reluctance into boldness as you examine the significant challenges facing Moses and how God shaped his character and life in powerful ways. Additional components for a six-week study include a comprehensive Leader Guide and a DVD featuring author and pastor Adam Hamilton. For a church-wide study, youth and children resources are also available.
