Vexed, guarded, and full of hate, in a world filled with lies, deceit and drama!!!Vexler Vex Streets was raised to be loyal before anything else, but he soon finds out that not everyone is cut from the same cloth. After losing everything and everyone that was important to him, Vex is back on the streets and ready to live the life hes always wanted. With a cold heart and revenge on his mind will he be able to push through the past or will he get sucked back into the same hole he just crawled out of.Majesti Messenger has always put her family first in every aspect of her life, even when they criticize her at every turn. When she is forced to choose between their approval or the one thing shes never had, love, which way will her heart sway? Will she choose her family, or will she finally break free from their grasp and do whats best for her?Mythias Myth Vargas, the prince of the Vargas Cartel has one thing on his mind, getting money. When Belicia, the woman he thought he would spend the rest of his life with, leaves him high and dry he builds a wall around his heart. Hes content with his life until he crosses paths with the sassy Henli, will she have what it takes to break through the barriers of his heart or will her own secrets keep their hearts from connecting. Henli Banks has always been independent and head strong, doing whatever it takes to survive in such a harsh world, even if it means compromising her dignity. After finally accomplishing what she set out to do, shes ready to cut her dead weight, also known as her boyfriend Zuke, and move on to bigger and better things.

The only problem is that her sketchy past just might prevent her happily ever after. It seems like the past always comes back to haunt this crew in one way or another, but when their past threatens the success of their future they have to find a way to get ahead of it. Will the secrets and drama swallow them whole or will they find their way to love?
