RARE: Rescue and Retrieval Extractions -they took on the missions that no one else wanted and didn't stop until the job was done Nico Marx has spent his life protecting others. First in the military, and now working for RARE, one of the most elite mercenary teams out there. Nothing mattered to him except his team and their next mission...until she called. With her daughter, Lily, missing, and no leads in sight, Jenna Montgomery reaches out for help. What she finds, is a group of men and women who are determined to find Lily and bring her home, even if it means putting their own lives on the line. When Nico discovers that Jenna is his mate, he vows to move heaven and earth to find her child and keep them both safe. Fate may have a plan, but one man threatens to tear it all apart. What RARE does not know, is the impact this one mission is going to have on them all, changing their lives forever. My RARE Series and White River Wolves Series are intertwined, and meant to be read in the following order: Nico's Heart (RARE) Phoenix's Fate (RARE) Josie's Miracle (White River Wolves) Trace's Temptation (RARE) Slade's Desire (White River Wolves) Saving Storm (RARE) Angel's Destiny (RARE) Janie's Salvation (White River Wolves) Sable's Fire (White River Wolves)
