This thrilling new 'Pride and Prejudice' variation will take you far beyond the events of Jane Austen's novel, hurling Mr Darcy and Miss Elizabeth into a dramatic adventure neither could ever have imagined. After his unfortunate marriage proposal, Darcy writes Elizabeth a letter and, in his attempt to hand it to her, everything changes – both of them are kidnapped. In just a few days, Elizabeth finds herself floundering in fear, loneliness and despair, facing a terrible future at the hands of heartless mercenaries, while Darcy, injured, is left behind. Determined to save the lady who holds his heart, Darcy embarks on an uncertain journey to rescue Elizabeth. Together with his cousin, Colonel Fitzwilliam, he discovers the power of love, friendship and trust, which goes beyond any familial connection. In this romantic, dramatic adventure, involving sea travels, mercenary pirates and bloody fights able to determine life or death, Darcy and Elizabeth come to realise that they must never let hope die. Hope and their mutual love are all they have to keep them alive. Until their last breath.

EXTRACT Richard was now very curious about how Darcy had managed to bear the journey from London to Portsmouth in his present condition. Darcy chuckled at his enquiries. "Richard, you know me well enough to guess I could not stay back when so much is at stake, when Elizabeth's life is in such danger." He looked around and all eyes were on him. He became serious again. "They say that love and hate are the two most powerful forces to move a man. I can guarantee you all, I have plenty of both."

ABOUT THE AUTHOR As a non-fiction writer and polyglot, I am fascinated by the beauty of writing, and the gift of combining words and sentences to achieve the perfect expression of ideas and critical analysis. But writing fiction also takes one a step further and expresses, at a much deeper level, not only creativity, but feelings and emotions. And that is my intention from now on: to write stories that can arouse people's feelings and dreams. And what could be better than starting it with something I just love?

As a huge fan of 'Pride and Prejudice' – my favourite book by far – I have spent the last two years reading not only the original, but also hundreds and hundreds of P&P variations. As a result, while increasing my knowledge of the English language on an academic level, I decided I would like to start writing my own versions. I can only hope you enjoy reading them as much as I have enjoyed writing them.
