What happens when a sassy curvy BBW girl accidentally bumps into a sexy domineering alpha male billionaire? From Amazon Bestseller Scarlett Avery comes a passion-filled page-turner BBW billionaire romance. When billionaire Max Keller catches sight of Candy's luscious curves, all bets are off. Little did she know that the dangerously sexy stranger would turn her world upside down the second she lays eyes on him. When she bumps into Max for the second time, she never suspected she'd end up spending a lovely evening with the debonair seducer. One drink turns to another and before she knows it, casual drinks turn into a night of unspoken passion on the forty-first floor of a swanky New York hotel. Can she handle the heat? Curves Envy is a sexy alpha male romance with a dash of romantic comedy that will make you laugh and keep you guessing until you hit the romantic HEA ending! This serial contains 4 parts. 1- Click this naughty romance and allow billionaire Max Keller to seduce you!
