

## [Free PDF File] Installation Art

**CONTINUE ►**

What has been loosely termed installation Art dominates the exhibition programmes of galleries worldwide. However, while it is much discussed it has rarely been clearly defined. In this book author Claire Bishop provides both a history and a full critical examination of installation art, in a survey of the form that is both thorough and accessible. Installation Art will provide, for the first time, a clear account of the rise of this now prevalent strand of contemporary art. While revising and, in some cases, re-assessing many well-known names in post-1960 art, it will also introduce the audience to a wider spectrum of younger artists yet to receive serious critical attention.
