NATIONAL JEWISH BOOK AWARD WINNERVisually and emotionally rich, MetaMaus is as groundbreaking as the masterpiece whose creation it reveals. In the pages of MetaMaus, Art Spiegelman re-enters the Pulitzer prizewinning Maus, the modern classic that has altered how we see literature, comics, and the Holocaust ever since it was first published twenty-five years ago. He probes the questions that Maus most often evokes: Why the Holocaust? Why mice? Why comics? and gives us a new and essential work about the creative process. MetaMaus includes a bonus DVD-R that provides a digitized reference copy of The Complete Maus linked to a deep archive of audio interviews with his survivor father, historical documents, and a wealth of Spiegelman's private notebooks and sketches. Compelling and intimate, MetaMaus is poised to become a classic in its own right.
