The #1 New York Times bestselling picture book parody is a must-have board book! Goodnight tomb. Goodnight goon. Goodnight Martians taking over the moon. It's bedtime in the cold gray tomb with a black lagoon, and two slimy claws, and a couple of jaws, and a skull and a shoe and a pot full of goo. But as a little werewolf settles down, in comes the Goon determined at all costs to run amok and not let any monster have his rest. A beloved classic gets a kind-hearted send up in this utterly monsterized parody; energetic art and a hilarious text will have kids begging to read this again and again.
