"You were going to start without me?" He questioned, a tone of amusement was evident in his voice as he joined us both on the couch, abandoning his drink completely... Within a confusing and ultimately conflicting three-way relationship, how did one quiet girl, who never shared her music with anyone, end up in a triangle with two of the schools' best football players? My best friend tells me not to go near Brandon Malt. I couldn't believe he was talking to me. Popular guys like him just don't talk to shy ones like me. I'm quiet, normally. But we all have a dark side. My passion lies within music. I write and play how I feel, and don't let anyone else hear... Until Brandon Malt does... Take My innocence Is A New Adult College & Sports Menage Romance Series — Over 90,000 words and an HEA guaranteed. 18+ Only. Enjoy!
