Zoey Ryan is looking forward to a week of fun in the sun. Too bad there was some sort of mix-up. Grant Tolliver is Isla Nubia's chief of security. For the first time, he must detain someone. Too bad he is never going to release her. Can her Caribbean nightmare turn into her dream? Can his Caribbean dream be that easy? This is the final book in the Caribbean Rivalry series. It is a quick, sexy, and over the top read with all the insta-everything you can handle. Zoey and Grant aren't taking anything for granted anymore. Isla Nubia just got a little hotter. Better bring a fan or a margarita or two.
