The New York Times bestselling author of The 4-Hour Body shows readers how to live more and work less, now with more than 100 pages of new, cutting-edge content. Forget the old concept of retirement and the rest of the deferred-life plan: there is no need to wait and every reason not to, especially in unpredictable economic times. Whether your dream is escaping the rat race, experiencing high-end world travel, or earning a monthly five-figure income with zero management, The 4-Hour Workweek is the blueprint. This step-by-step guide to luxury lifestyle design teaches: How Tim went from \$40,000 per year and 80 hours per week to \$40,000 per month and 4 hours per week; How to outsource your life to overseas virtual assistants for \$5 per hour and do whatever you want; How blue-chip escape artists travel the world without quitting their jobs; How to eliminate 50% of your work in 48 hours using the principles of a forgotten Italian economist; How to trade a long-haul career for short work bursts and frequent mini-retirements. The new expanded edition of Tim Ferriss' The 4-Hour Workweek includes: More than 50 practical tips and case studies from readers (including families) who have doubled income, overcome common sticking points, and reinvented themselves using the original book as a starting point; Real-world templates you can copy for eliminating e-mail, negotiating with bosses and clients, or getting a private chef for less than \$8 a meal; How Lifestyle Design principles can be suited to unpredictable economic times; The latest tools and tricks, as well as high-tech shortcuts, for living like a diplomat or millionaire without being either.
