Screw the consequences...she belongs to me.Mason I'm a monster... it's in my blood. Living with the Carters proved that. Adopted by the perfect family and I'm still an animal. I can't help it. I crave their daughter with a carnal lust. She's my secret obsession and the one girl I can never have. She deserves a safe distance from me and my fantasies. I'm trouble. Period. And my temper is near catastrophic. But I know one thing for sure. I'm a d*mn better guy than that jack*ss Nicole is dating. My thirst for her is stronger than ever. And the more I watch that b@stard abuse my adopted sister. the more my instincts scream, f**k the consequences. I don't know how much longer I can hold back... Nicole:I craved his attention from the minute Mom brought him home. He's my adopted brother; my best friend. But for me, that was never enough. I always needed more, much more. Now we're adults, and I wish I could say things have changed. I still want him... only I'm dating another man. TORN is a standalone full length 100,000 words contemporary standalone romance with a HEA and no cliffhanger (who needs them right?). Disclaimer: This book covers a sensitive subject and is advised you read this at your discretion.
