

[Download] So You're About to Be a Teenager: Godly Advice for Preteens on Friends, Love, Sex, Faith and Other Life Issues

CONTINUE ►

Samuel and Rebecca Rainey, preteens themselves not many years ago, add their perspective as young adults who vividly recall their own successes and failures as teenagers. Covering such topics as friends, peer pressure, boundaries, dating, and sex, the Raineys address the most common traps of adolescence and teach young people how to avoid making poor choices. Short, concise chapters are filled with engaging illustrations and practical applications. This book is essential reading for preteens.
