Only 1 will be victorious in this Battle Royale After being dropped from the bus, Garrick must now fight for survival among 100 enemies on a remote island. By collecting weapons and building structures for tactical advantages, he must defeat them all to be the last person standing. He makes friends and enemies, but all of them have to compete with Maynard, the ultimate killer. Skill and luck will be needed to make it to the end. Not only does Garrick have to battle enemies and find resources to survive, there is a giant Storm slowly closing on the island, forcing all the players together, to build and fight for survival. Who will be the last one standing?
