#1 BEST SELLER IN AUSTRALIA & NEW ZEALAND! What happens to children who are robbed of family? Myrtle's first three children grew up without any knowledge of their mother after Myrtle was forced to give them up when they were still toddlers. Not only were the children deprived of contact with their mother, they also grew up devoid of any knowledge of each other after being placed in separate facilities. In this sequel to *Whisper My Secret*, JB Rowley explores what happened to the three half-siblings she never knew. As one of the children of Myrtle's second family, JB also offers a personal view of a mother making a new life without her first family. Although the devastating loss of her first three children remained with her, Myrtle became a caring and committed mother of seven more children living in near isolation in the Australian bush. This mother's strength of character is matched in her first three children who survived and thrived despite being cheated of the nurturing that should have been their birthright. Their stories are sad, sometimes heartbreaking but ultimately courageous and inspiring.
