CONTINUE ►

A compelling story of agency, survival, struggle and triumph over adversity African Americans: A Concise History illuminates the central place of African-Americans in U.S. history bytelling the story of what it has meant to be black in America and how African-American history is inseparably woven into the greater context of American history. It follows the long and turbulent journey of African-Americans,the rich culture they have nurtured throughout their history and the quest for freedomthrough which African-Americans have sought to counter oppression and racism.MyHistoryLab is an integral part of the Hine / Hine / Harrold program. Key learning applications include Closer Looks, MyHistoryLibrary, and writing assessment. A better teaching and learning experience This program will provide a better teaching and learning experiencefor you and your students.Heres how:
