Feast your eyes on the latest split-page board books from Eric Carle. In the sumptuous My Very First Book of Food, children can match each animal with the food it eats. Do you know what a squirrel eats? How about a seal? In My Very First Book of Motion, children can match each animal with the way it moves. Which animal hops? Which one waddles? Only you can match them. These fun books are full of bright animals, and are lots of fun for young children.
