**CONTINUE ►**

Prepare for a whole cult of the dune buggy! Get to know buggies from their earliest beginnings as crude off-road vehicles in the 1920s, to the explosion of fiberglass body and VW-based fun cars that became the cult transport of teenagers everywhere in the 1960s and 1970s. With histories, production details, and identification tips for over 70 US and UK buggies, the book will help identify the many marques that have been produced over the years. Filled with period photographs, archive material, and amazing contemporary photography, the book is a visual feast from a bygone era.
