

91L3N [GET] Chasing Kites: One Woman's Unexpected Journey Through Infertility, Adoption, and Foster Care

CONTINUE ►

From the sterile isolation of infertility and its treatments to the emotional rollercoaster of adoption and foster care, Rachel McCracken gets it! She gets the heartache and the sorrow of the desolate valley called Infertility. She gets the dedication and work that it takes to blend a family. She gets the commitment and purpose one needs to help children rise from the ashes of abandonment and fear. Rachel's new book, Chasing Kites: One Mother's Unexpected Journey Through Infertility, Adoption, and Foster Care weaves her real-life experiences of struggle, heartache, and loss into a wonderful narrative of faith, hope, and the joy that can come through it all. Chasing Kites answers all of these questions and more. Going from zero to four adopted children through a Colombian orphanage and then from four to seven through the US Foster Care System, Rachel writes a masterful memoir of the good, the bad, and the ugly with purpose-driven life lessons learned from each. If you have ever experienced loss, grief, or heartache this book is for you. If you are struggling to create a family or to blend a family, this book is for you. If you are trying to support someone you love through any of these things, this book is for you. Lose yourself in this delicious tale of love both lost and found.
