

Q1bwL [Download] Invested: How Warren Buffett and Charlie Munger Taught Me to Master My Mind, My Emotions, and My Money (with a Little Help from My Dad)

CONTINUE ►

In this essential handbook - a blend of Rich Dad, Poor Dad and The Happiness Project - the cohost of the wildly popular InvestED podcast shares her yearlong journey learning to invest, as taught to her by her father, investor and best-selling author Phil Town. Growing up, the words finance, savings, and portfolio made Danielle Town's eyes glaze over, and the thought of stocks and financial statements shut down her brain. The daughter of a successful investor and best-selling financial author of Rule #1, Phil Town, she spent most of her adult life avoiding investing - until she realized that her time-consuming career as a lawyer was making her feel anything but in control of her life or her money. Determined to regain her freedom, vote for her values with her money, and deal with her fear of the unpredictable stock market, she turned to her father, Phil, to help her take charge of her life and her future through Warren Buffett-style value investing. Over the course of a year, Danielle went from avoiding everything to do with the financial industrial complex to knowing exactly how and when to invest in wonderful companies. In Invested, Danielle shows you how to do the same: how to take command of your

own life and finances by choosing companies with missions that match your values, using the same gold-standard strategies that have catapulted Warren Buffet and Charlie Munger to the top of the Forbes 400. Avoiding complex math and obsolete financial models, she turns her father's investing knowledge into 12 easy-to-understand lessons. In each chapter Danielle examines the investment strategies she mastered as her increasing know-how deepened the trust between her and her father. Throughout, she streamlines the process of making wise financial decisions and shows you just how easy - and profitable - investing can be. Capturing a warm, charming, and down-to-earth give and take between a headstrong daughter and her mostly patient dad, *Invested* makes the complex world of investing simple, straightforward, and approachable and will help you formulate your own investment plan - and foster the confidence to put it into action. Supplemental enhancement PDF accompanies the audiobook.

In this essential handbook - a blend of *Rich Dad, Poor Dad* and *The Happiness Project* - the cohost of the wildly popular *InvestED* podcast shares her yearlong journey learning to invest, as taught to her by her father, investor and best-selling author Phil Town. Growing up, the words finance, savings, and portfolio made Danielle Town's eyes glaze over, and the thought of stocks and financial statements shut down her brain. The daughter of a successful investor and best-selling financial author of *Rule #1*, Phil Town, she spent most of her adult life avoiding investing - until she realized that her time-consuming career as a lawyer was making her feel anything but in control of her life or her money.
