College girl turned s... — I probably shouldn't mention it. He's my worst nightmare. He's my dream come true. I shouldn't like it—or like him—but I do. He controls my future and therefore controls me. And I can't say no, because he's my f*ckin' Teacher. I'm failing in the classroom and the only way out is... — well, you guessed it Professor Frans Carlsson holds all the keys, including the ones that unlock my darkest fantasies. He's hot. He's arrogant. He's everything I shouldn't want and I don't give a damn. All I care about is my grades and his ten grand in my pocket at the end of all this... Or is it? This is a full-length novel with an HEA. 18+ Only.
