"Yes, Sir."Two simple words changed my life.One night. Complete surrender. Total submission.That was supposed to be it, but there's one complication,I'm pregnant, and he has no idea. JayceShe was like a bird with a broken wing... something small and delicate that wandered into my club, completely out of place and completely beautiful. One look and I knew I had to have her. I wanted to make her mine, to protect her, to claim her.All these years and I have never taken a submissive, but that's about to change. I'll teach her how sweet surrender can taste, and I'll show her how a real man treats a woman. She'll learn that she'll never feel as free or alive as when she's cuffed and bound, completely at my mercy.Myliel'd sworn off dominant men, locked away my need for submission. I'd given my trust to one too many men who abused it, and all I wanted was to move on. To heal.But one look at Jayce and I knew I'd never met a true dominant before. He radiated power and command. He carried the promise of something better--something real. For just one night, I gave him what I thought I'd never give again: my submission. I let him take me and dominate me. I let him shatter my world with the heat of his body and the brush of his lips on my ear as he whispered the words that were my undoing. "You're mine, princess." But he bound me in more ways than one that night. I'm pregnant, and he has no idea.
As always, this is a totally SAFE, full length standalone book with a happily ever after, no cheating, and plenty of steam. Bonus content included.
