She's mine, she just doesn't know it yet. Her name is Tempest Kensington. She's never been touched. She's my student, and I want to know how sweet she tastes when she's claimed for the first time. I'm her headmaster. I'm twenty years older than her. But damn the implications. Screw the consequences. I know I'm blurring the lines, but I. Do. Not. Care. Tempest Kensington is a grade-A brat. And she's about to get a very thick, very firm dose of my discipline – over my knee and on hers. Barely appropriate. Entirely off-limits. My temptation, my addiction, my obsession. My ruin, in a plaid skirt and knee-high socks. It's time for this little tease to learn exactly what happens to bad girls who look for trouble. Sweet, filthy, and oh-so-wrong in the best kind of way. If you're looking for something extra hot and wildly over-the-top, this one's for you! Utterly obsessed alpha hero, sassy, untouched heroine, and enough insta-love, kindle-melting steam, and sugary-sweetness to make you beg for more. HEA with NO CHEATING! For a very limited time, this book includes TWO other books of mine as a thank you for reading! Please note that His Little Bad Girl ends at around the 30% mark in this book.
