Pulitzer Prize, History, 2003 The liberation of Europe and the destruction of the Third Reich is a story of courage and enduring triumph, of calamity and miscalculation. In this first volume of the Liberation Trilogy, Rick Atkinson shows why no modern learner can understand the ultimate victory of the Allied powers without a grasp of the great drama that unfolded in North Africa in 1942 and 1943. That first year of the Allied war was a pivotal point in American history, the moment when the United States began to act like a great power. Beginning with the daring amphibious invasion in November 1942, *An Army at Dawn* follows the American and British armies as they fight the French in Morocco and Algeria, and then take on the Germans and Italians in Tunisia. Battle by battle, an inexperienced and sometimes poorly led army gradually becomes a superb fighting force. Central to the tale are the extraordinary but fallible commanders who come to dominate the battlefield: Eisenhower, Patton, Bradley, Montgomery, and Rommel. Brilliantly researched, rich with new material and vivid insights, Atkinson's narrative provides the definitive history of the war in North Africa. *An Army at Dawn* is the winner of the 2003 Pulitzer Prize for History. **DISCLAIMER:** "We cannot guarantee the availability of this ebook on an external site."
