To protect her, I had to take her. Once a rock god, I lived life in the fast lane, I was a king. I owned this world. Men wanted to be me. Women wanted to be with me. Life was one big party until my best friend died, And I left it all behind. I found success and kept my billions. I was untamable, cold, and incapable of love. Then a twist of fate brought me Zoe. A raven-haired beauty with curves, and luscious lips. I claimed her innocence and she became my new addiction. But someone thinks he owns her. And he'll do whatever it takes to steal her from me. When it comes to Zoe and our unborn child. I'll do everything to keep my family safe. Even if that means taking her... If they try and stop me, I'll make them pay!
