

# BBWZk [GET] Hell's Princess: The Mystery of Belle Gunness, Butcher of Men [Kindle in Motion]

**CONTINUE ►**

"Hell's Princess takes its place among Schechter's other true-crime classics as the definitive rendering of one of the most beguiling and brutal of all female serial killers. His gruesome page-turner, grounded in meticulous historical research, confirms his reputation as one of the top true-crime writers of our time." —Psychology Today

The chilling true account of one of the twentieth century's most prolific female serial killers. Now an Amazon Charts bestseller. In the pantheon of serial killers, Belle Gunness stands alone. She was the rarest of female psychopaths, a woman who engaged in wholesale slaughter, partly out of greed but mostly for the sheer joy of it. Between 1902 and 1908, she lured a succession of unsuspecting victims to her Indiana "murder farm." Some were hired hands. Others were well-to-do bachelors. All of them vanished without a trace. When their bodies were dug up, they hadn't merely been poisoned, like victims of other female killers. They'd been butchered. Hell's Princess is a riveting account of one of the most sensational killing sprees in the annals of American crime: the shocking series of murders committed by the woman who came to be known as Lady Bluebeard. The only definitive book on this notorious case and the first to reveal previously unknown information about its subject, Harold Schechter's gripping, suspenseful narrative has

all the elements of a classic mystery—and all the gruesome twists of a nightmare.
