Pizza-eating aliens, construction-working penguins, and friendly forest fairies? Welcome to Mike Lowery territory. Here are games galore: Deliver gifts to the Queen Bee—just follow the maze! Or decode an ancient message with a secret language. Design a silly Christmas sweater. Color in the back-to-school supplies for a school of fish! Wait, there's more: Decorate and mark important dates with the 300 included stickers; keep track of rewards points on the magnetic write-and-erase chart; and hold your supplies in the handy drop-down storage pocket. This activity-packed year of fun is always a sellout and makes a great addition to classrooms and kids' bedrooms.
