WAR MADE HIM...BUT IT'S THE FIGHT FOR HOME THAT WILL TRULY TEST HIM. The first heart-stopping novel in the USA Today & Amazon million plus copy bestselling Corps Justice thriller series. Navy Cross recipient Cal Stokes returns from war a humble hero, ready to live out his days in peace. If only it were that easy. Evil soon rears its ugly head and plunges the Marine into the fight for his life, casting him into the darkness. When he comes to, he must use his well-honed skills to take the battle to the enemy, to fight for what is right. He must seek his own brand of justice, laws be damned. If you like Stephen Hunter's Bob Lee Swagger, WEB Griffin's Killer McCoy, Tom Clancy's Jack Ryan, Lee Child's Jack Reacher, Vince Flynn's Mitch Rapp, Ted Bell's Alex Hawke, and Robert Ludlum's Jason Bourne, you will love Cal Stokes. The Corps Justice series has over fifteen books in total and running, plus multiple spinoffs with its most popular characters. "I can't say that I have enjoyed any series as much as this one." "Boy is it hard to work when a book is this good. Hard to go to sleep in time." I asked Corps Justice readers what my books stand for and here's what they said: "Honor, integrity and family." - Adam E. "Truth, freedom and the American way." - Alvah D. "Doing what's right." - Ken S. "Service. Honesty. Dedication." - Vicki M. "Overcoming evil." - Ken J. "Truth and Justice." - Kevin H. "Justice. Teamwork. Love of country." - Sherry C. It's great to be associated with such an amazing cast of writers. We're not just a list of books around here. We're a family of readers who come together to share a common bond. Why don't you join us? We'd love to have you. Semper Fidelis, C. G. Cooper
