The elves have been called to war. As his parents leave, Kealin and his siblings stay behind to continue to train for the inevitable bloodshed that will reach their shores. For all of his life, he has been persecuted for being half-elf but his mother's true lineage was a guarded secret. She has been in hiding and he will soon discover why. A prophecy is revealed that foretells doom for all the warriors who departed. In order to avert the disaster, Kealin and his half-blood siblings embark into the frigid seas of the north aboard an enchanted ship. In a perilous journey, Kealin discovers a power that is not elven in nature. He is changing. As the blood of an ancient race surges in his veins, a power awakens within his mind tying him to a powerful and dangerous culture. But what else is waking in the long-frozen north, will risk all of them and Kealin is playing into the hands of a master deceiver. He must learn to control this new power before a hidden plot destroys everyone he seeks to save.
