

## [GET] Saving Emma

CONTINUE ►

She gave me a pet name. A\*shole. How adorable. But is she brave enough to call me that.....now that I'm her new boss? Crazy rich. Powerful. And bored as hell.Until I saw Emma again - my best friend's kid sister.Once the annoying little girl that followed us everywhere.Now she's all grown-up... and hates my guts. An investigative journalist with a body to kill for,Fiery attitude and devastating curves.She may have lost her dream job.But I'll play hero and give it back. When she uncovers a serial killer's trail,It'll take everything I have to save her.I'll burn this city to find this f\*cking monster if I have to.I'll save Emma and the secret she's carrying.
