

[GET] The Third Target

CONTINUE ►

When New York Times foreign correspondent J. B. Collins hears rumors that an al-Qaeda splinter cell has captured a cache of chemical weapons inside Syria, he knows this is a story he must pursue at all costs. Does the commander of the jihadist faction really have the weapons? If so, who is the intended target? The U.S.? Israel? Or could it be Jordan? With tensions already high, the impending visit of the American president to the region could prove to be the spark that sets off an explosion of horrendous proportions. Knowing that terrorist forces have already toppled two regimes in the region, can Collins uncover the truth before it's too late? Or will the terrorists succeed in setting their sights on the third and final target?
