In hand, online or mobilethe all-in-one, go-to source for classroom, clinic, and beyond. See what students are saying about the previous editionThorough reference bookI could have googled a lot of the terms instead of buying this, but I really like having a physical copy of reference materials. This book has done a good job of defining medical terms. It is better than Google because you don't pull up 14 different things with similar namesONLY the medical definition. R. M. CookGreat resource for nursing students!The Bible for Nurses creating care plans! Has everything you will need; disease definition, symptoms, NANDA's, interventions. A must-have for students!Dora DuranRequired textbook for first-year nursing school, but it will serve me well for many yearsMy favorite aspect is that it came with a 1-year subscription to Tabers Online.PD SmithTabers brings meanings to life. Put the language of nursing, medicine and the healthcare professions at your fingertips. In hand, online, or on your mobile deviceanywhere and everywhere, Tabers 23 is the all-in-one, go-to source in the classroom, clinical, and beyond. Under the editorial direction of Donald Venes, MD, MSJ, a team of expert consulting editors and consultants representing nearly every health care profession ensures that the content reflects the most current healthcare information.
