This collection includes the first four complete novels of the Ashes & Embers rock star contemporary romance series - Storm, Vandal, Lukas, and Talon. It also contains a short excerpt from Asher's upcoming book. Storm - Evelyn finds herself trapped in a truck during a blizzard for 48 hours with a sexy stranger - who's keeping it a secret he's a famous musician! Things heat up fast! When the blizzard is over and they go their separate ways, Evelyn is thrown into a tailspin when Storm decides he can't live without her. Vandal - One tragic night tears his life apart and sends him into a spiral of destruction. When Vandal meets Tabitha, all he wants to do is make things right and somehow ease his grief. And hers. But when secrets threaten to tear them apart, can their unconventional relationship survive? Lukas - Ivy, a 36 year old mom of two thought her life was over when she found her husband having an affair. Her life takes a major turn when she meets sexy, inked-up, 24 year old Lukas Valentine - tattoo artist, violin player extraordinaire, and extreme hopeless romantic. Their chemistry is undeniable, but can she trust her heart with a younger man? Talon - Asia thinks signing up for a marriage experiment to marry a stranger picked by experts might just be the key to finding her Mr. Right - until her new husband turns out to be a sexy, sarcastic, famous rock star! This book is a rollercoaster of witty banter, laugh out loud moments, a steamy slow sensual burn, heartache and angst, and a happily every after.
