**CONTINUE ►**

The worst of the worst, all in one place! This sturdy, hardbound volume collects more than 100 of the best, most popular scenarios from the eleven "Worst-Case Scenario Survival Handbooks" (it does not include material from the "History Almanac" or "Book of Survival Questions") in a new appealing package, and includes the entire contents of all eleven books on a fully searchable CD. The CD also contains newly created extra features: screensavers, e-cards, wallpaper, and more. Avoid the perils of mountain lions and blind dates, avalanches and your teenager's first driving lesson, runaway golf carts and Christmas turkeys on fire - every crisis the worst-case experts have prepared you for, now available as a desk reference. With more than 500 pages, this definitive hardback addition to the Worst-Case library could stop a bullet - one more way you can be prepared for anything.
