

This user-friendly training guide includes groups of instructional exercises and practice tests on various aspects and features of the sixth edition of the Publication Manual of the American Psychological Association, including electronic references and citations, grammar, headings, seriation, statistical and mathematical copy, italics and capitalization, numbers style, and table formatting. The exercises and tests require students to apply APA Style to prove that they can use it accurately in term papers and research reports. This workbook is a self-pacing, self-teaching workbook that can be used to learn APA Style quickly and effectively. Intended for students of psychology or related disciplines as well as other professions that use APA Style, Mastering APA Style: Student's Workbook and Training Guide is an effective learning tool for the classroom or independent study.
