"YOU NEVER REALLY OWN FREEDOM, YOU ONLY PRESERVE IT FOR THE NEXT GENERATION." Issuing a bold wake-up call to America, New York Times best-selling author Brigitte Gabriel reveals the people, organizations, and forces at work to dismantle our Judeo-Christian values and freedoms, destabilize and threaten our national security, and radically redefine our very way of life. Rise will empower you by: Providing a plan for preserving your values and freedoms before it's too late Educating you on how to identify behaviors and ideas that could threaten the local community and ultimately national security Motivating you to unite with other patriots who wish to preserve our endangered Judeo-Christian values and freedoms Helping you understand what you can do to fight the forces that aim to undermine our nation This book is critical to your family and your personal freedom. Will you sit back and watch the greatest country our world has ever known slowly fade away? Or will you rise?
