CONTINUE ►

Insomnia is all too common in our modern culture, and can be devastating to your mental and physical health. Packed with research-based strategies and practical tools, this fully customizable book will show anyone who suffers with insomnia how to get a good night's sleep—night after night—for a better life. Everyone struggles with sleep from time to time, but when sleepless nights and overtired days become the norm, your well-being is compromised, and frustration and worry increase—including concerns about what's stopping you from getting the sleep you need, and what can be done about it. So, how do you stop the cycle of relentless worries and restless nights? End the Insomnia Struggle offers a comprehensive, medication-free program that can be individually tailored for anyone who struggles with insomnia. Integrating the physiology of sleep, and proven-effective approaches from cognitive behavioral therapy for insomnia (CBT-I) and acceptance and commitment therapy (ACT), this book provides step-by-step guidance for developing your own treatment plan according to your particular challenges with insomnia. With this book, you'll have everything you need to overcome the relentless thoughts, ruminations, and stress of insomnia. Utilizing these evidence-based strategies and easy-to-use tools, you'll finally get to sleep, stay asleep, and wake up rested and ready to face the world as your best self, day after day.
