The lives of three Chicago ratchets intersect. Why? They have one thing in common. A trifling nicca. NeNe, the main bish, finds out her baby daddy is cheating on her with Quita, a goal-oriented, voluptuous CNA-in-training. Ready to go to war against the side chick, she attempts to recruit help from her day one bestie, Nettie. NeNe's best friend had always told her Quayvo wasn't worth anything, but NeNe refuses to listen. Baby daddy Quayvo's doggish ways threatens to put a strain on the friends' relationship. Despite NeNe threatening Quita, the portly side hoe refuses to back off Quayvo. The aggressive CNA finds some incriminating information about NeNe she now plans to use to bring main bish down. However, luck has it that Nettie discovers the same damaging information about her bestie. But while NeNe plans and plots the sweetest way to take NeNe down, Quayvo does something unthinkable to Nettie that has her forced to make a move that will bring everyone down.
