CONTINUE ►

The first of a brand new series by the author of Sons of the Marquess. When Mr Edmund Winterton of Woodside dies, his daughters find themselves penniless and homeless. What can they do? Unless they wish to live on charity, they will have to find genteel employment for themselves. Annabelle becomes governess to the daughters of the recently bereaved Earl of Brackenwood. She has no idea how to teach, but her pupils can learn all they need from books, so how difficult can it be? She'll need all her ingenuity to cope with the rebelliousness of her charges, and the unwanted attentions of their father. But when her past returns to haunt her, she has to make a difficult decision. Allan is slowly getting used to life as a widower, but his mother is determined that he must marry again and produce an heir. He is determined that he won't, although the new governess is just the sort of woman he could fall in love with. But when a face from long ago reappears and stirs up suspicion, he has to consider the possibility that his wife's death was not natural. What is worse, he himself is the obvious suspect. If he can't prove his innocence, he may lose everything - his home, his new love and even his life. A traditional Regency romance, drawing room rather than bedroom. Book 1 of the 5-book Sisters of Woodside Mysteries series, each a complete story with a HEA, but read all of them to find out all the family secrets!
