

CONTINUE ►

Its Naotos first day of college, and the last person he expected to see was his high school ex Taichi, whom hed dumped after a huge argument. Even though years have passed, Naoto finds hes still steamed over some of the harsh words that were exchanged, but he also recognizes how much Taichi has matured since then and cant help getting pulled back in. Will the discovery of his friends crush on Taichi fray the fragile threads of this mending relationship?
