A New York Times Bestseller! An extraordinary look at what it means to grow old and a heartening guide to well-being, *Happiness Is a Choice You Make* weaves together the stories and wisdom of six New Yorkers who number among the oldest old—those eighty-five and up. In 2015, when the award-winning journalist John Leland set out on behalf of *The New York Times* to meet members of America's fastest-growing age group, he anticipated learning of challenges, of loneliness, and of the deterioration of body, mind, and quality of life. But the elders he met took him in an entirely different direction. Despite disparate backgrounds and circumstances, they each lived with a surprising lightness and contentment. The reality Leland encountered upended contemporary notions of aging, revealing the late stages of life as unexpectedly rich and the elderly as incomparably wise. *Happiness Is a Choice You Make* is an enduring collection of lessons that emphasizes, above all, the extraordinary influence we wield over the quality of our lives. With humility, heart, and wit, Leland has crafted a sophisticated and necessary reflection on how to live better—informed by those who have mastered the art.
