Everything I know is a lie. I'm an ordinary mortal girl. Lord Irrik is a depraved dragon shifter. King Irdelron is an immortal tyrant. In the disease-ridden land of Verald, life is mapped out much like the established rings of our kingdom. Everyone has a role. I'll be uselessly serving potato stew for the rest of my life because I can't make anything grow. But starvation brews rebellion. When the king strikes, I'm captured by Lord Irrik. Instantly, I'm embroiled in a deadly game. One where I'm desperate to understand the rules. Because nothing makes sense anymore. Now, I'm not only fighting for my life . . . but a love that could be the key to my freedom. What if the truth means you're not who or what you thought you were? Fans of dark fantasy, dragons, intrigue, and romance will devour this story. Scroll up and one-click now! Due to thematic elements, this series is recommended for mature YA and up.
