****A Standalone Romance From New York Times and USA Today bestselling author R.G. Alexander, Book 2 in the Finn's Pub Romance series!**Ever had a crush on your best friend?That feeling when you're a thirty-year-old gay virgin with no social life, nosy neighbors and a lot of awkward, secret fantasies revolving around your straight best friend? Yeah, that's me right now.Brendan Kinkaid was there for me during the darkest period of my life, so when the sexy pilot shows up suspended and needing a place to stay, there's no question I'll take him in.That's when things get weird.He's acting like a stranger. A stranger who wants to spend his two-week layover taking our friendship to another level. It's either the beginning of a great porno or a disaster waiting to happen.I'm tempted to give in, but no matter what he says, I know he's not looking for a permanent place to land. And I'm not sure I can live with what I'll lose when he flies away again.Warning: This book contains explicit m/m sex. Yep. Two guys getting naked and falling in love. With each other. Don't act so surprised. It may also contain bungee cord bondage, exhibitionism, massages with happy endings, a large cast of characters, and Peruvian flutes. Did I mention the sex?This book has characters from book 1 of the Finn Pub Romance series as well as a few from the bestselling Finn Factor series, but it can be read as a standalone if you don't feel like binging.
