

[Download] Environmental Law Handbook

CONTINUE ►

The environmental field and its regulations have evolved significantly since Congress passed the first environmental law in 1970, and the Environmental Law Handbook, published just three years later, has been indispensable to students and professionals ever since. The authors provide clear and accessible explanations, expert legal insight into new and evolving regulations, and reliable compliance and management guidance. The Environmental Law Handbook continues to provide individuals across the country professionals, professors, and students with a comprehensive, up-to-date, and easy-to-read look at the major environmental, health, and safety laws affecting U.S. businesses and organizations. Because it is written by the country's leading environmental law firms, it provides the best, most reliable guidance anywhere. Both professional environmental managers and students aspiring to careers in environmental management should keep the Environmental Law Handbook within arm's reach for thoughtful answers to regulatory questions like:
